MARVIE HOTEL & HEALTH

Marvie Hotel & Health is a city hotel in Split's residential area Zenta that extends across 9.400 square meters and has a three-level underground public garage, 76 accommodation units, two of which being apartments and a beautiful roof terrace with an outdoor swimming pool. This modern designed hotel by the sea is situated near the Diocletian's Palace and in immediate vicinity of sports facilities, well-tended beaches, promenades by the sea that offer a possibility to engage in various recreational activities (cycling, jogging), along with numerous individual and group trainings offered by the hotel itself.

Its modern and specialised facilities are what makes it stand out clearly against the rest. After demanding whole-day meetings, distance yourself by coming to the spacious Renevie wellness where besides an indoor swimming pool there are also a relax area, jacuzzi, Finnish sauna, steam bath and a gym. In addition to various massages and numerous beauty treatments, dermatological services and efficient, yet non-invasive face and body skin rejuvenation methods, our offer includes a wide range of

medical wellness services and physiotherapeutic methods for a faster recovery and better health of the entire body. The Aqua Med Medical Wellness is located here - a physical therapy and rehabilitation office and MediDerm Clinic - a dermatological clinic for aesthetic medicine.

Marvie Hotel & Health exudes a calming atmosphere which offers relaxation, a feeling of satisfaction, the possibility of better physical fitness and attainment of mental harmony and balance. To complete this sensation, the hotel restaurant Da'Mar serves Mediterranean delicacies in its daily offer and is almost the only gastronomic paradise in the Split region offering delicious, creative and for the most part, gluten-free dishes.

A central, crowd-free location, numerous vacation and relaxation facilities at disposal after meetings or training and a healthy, yet creative and diverse cuisine is what makes Marvie an ideal place for a new business momentum.

EVENING CLOSED INDOOR POOL PARTY

We can organise a social after-work event with your colleagues and associates as an evening, private use of the wellness area (indoor swimming pool, relax area) with cocktails and music.

ROOF TERRACE COCKTAIL PARTY

Apart from drinks, if you also want to reward your colleagues and associates with a unique experience, we suggest leasing the hotel's roof terrace with an outdoor swimming pool for socialising and entertainment with finger food and drinks.

RENEVIE WELLNESS ZONE

Renevie wellness area has been designed according to the needs of the modern man, with an aim to distance yourself momentarily from the hectic lifestyle and to attain a complete sensation of the well-being of mind and body. Be sure to use the entire offer of the hotel in such a manner that, after your business obligations, you dedicate at least an hour a day to yourself.

- Indoor swimming pool with a counter-current swimming effect
- Finnish sauna and steam bath
- Gym
- Jacuzzi
- Relax area

PHYSICAL EXAMINATION

You can also get a physical examination during your stay at our hotel at the MediDerm Clinic. Besides examining your overall state, the vital functions of your body and performing laboratory tests, specialist medical examinations are also at your disposal. Everything mentioned above can be done in a day, so please contact us for a more detailed arrangement.

INDIVIDUAL AND GROUP PROGRAMMES

YOGA SESSION

Start your day with a morning yoga session on the hotel's rooftop terrace, led by a licensed instructor. Yoga has many supporters throughout the world precisely because it brings peace and improves concentration and it's just what you need ahead of a day dedicated to your company's business.

TAI CHI

The ancient Chinese Tai Chi exercise is based on techniques exercising the mind, body and spirit. Tai Chi is several thousand years old, and, in its beginning, it was a very demanding martial art, up to our time when it has evolved into a light exercise comprising different styles, practised by millions of people throughout the world. The exercises include a series of gracious and circular movements and help maintaining the balance.

TENNIS

In the hotel's immediate vicinity there is a spacious tennis centre where you can take individual classes led by a coach or we can organise a tennis tournament for a group of clients.

INDIVIDUAL AND GROUP PROGRAMMES

HYDROGYMNASTICS

We can organise group exercises in the indoor swimming pool for your team, which are adjusted to the physical capacities of an individual, without the risk of injury or overexertion. The training's components are cardiovascular training, functional training, strength and endurance training and coordination and balance training.

PHYSIOTHERAPEUTIC TRAINING

Medicinal therapy training is carried out by a licensed senior physical therapist. It is aimed at improving the quality of movement and the prevention of injuries. Along with stability and mobility exercises, it also includes breathing, coordination and balance exercises and many other elements.

MASSAGES

AQUA MED "TOUCH" MASSAGE

A massage technique specially designed by our expert team, that gives the body a first-class relaxing experience and harmony of the body and spirit. By using the elbows and forearms, this massage technique fills the organism with positive energy using deep and slow movements and thus prepares our clients for new challenges.

MEDICAL MASSAGE

A therapeutic method tailored to the individual needs of each and every client. The ideal massage for neck, back and leg pain, because our expert and educated therapists focus on problematic areas, which reduces soreness, increases mobility and makes everyday life functions easier.

AROMA RELAX MASSAGE

A classic relaxing massage technique which, combined with essential oils, soothes the body and spirit. The massage can be adjusted to the needs and wishes of the clients, in agreement with the therapist.

TRAINING AND WORKSHOPS
