RENEVIE MASAŽA / RENEVIE MASSAGE

90min / 93 EUR

Posebno dizajnirana od strane našeg stručnog tima, ova masaža ispunjava tijelo pozitivnom energijom. Koristeći laktove i podlaktice, dubokim i sporim pokretima u potpunosti opušta tijelo, pomaže u smanjenju stresa i napetosti te blagotvorno djeluje na cijeli organizam.

This massage technique, specially designed by our expert team, fills the body with positive energy. Using elbows and forearms, with deep and slow movements, it completely relaxes the body, helps reduce stress and tension, and has a beneficial effect on the entire organism.

MASAŽA VRUĆIM KAMENJEM / HOT STONE MASSAGE

60min / 70 EUR

90min / 93 EUR

Masaža vrućim kamenjem koristi se za pomoć pri opuštanju i ublažavanju napetih mišića. Ova vrsta masaže kombinira toplinu kamenja s klasičnim

masažnim pokretima kako bi se poboljšao protok krvi, stoga se posebice preporuča svima koji često imaju hladne određene dijelove tijela (najčešće ekstremitete) zbog problema s cirkulacijom. Idealna je za sve koji preferiraju laganije masaže, bez velikog pritiska.

Hot stone massage aids in relaxation and alleviates tense muscles. This type of massage combines the warmth of the stones with classic massage movements to improve blood flow, so it is recommended for individuals who often experience cold specific parts of the body (usually extremities) due to circulation issues. It is ideal for those who prefer lighter massages without significant pressure.

MASAŽA SVIJEĆOM / CANDLE MASSAGE

60min / 60 EUR

Ova jedinstvena tehnika opuštanja koristi topljeno ulje iz posebno dizajnirane masažne svijeće. Zagrijavanjem svijeće otpuštaju se prirodna esencijalna ulja koja imaju povoljno djelovanje na kožu. Nakon tretmana, koža je svilenkasta, nahranjena i mekana. Mirisna svojstva eteričnih ulja mogu imati dodatne blagodati, poput smanjenja stresa ili poboljšanja raspoloženja.

This unique relaxation technique uses melted oil from a specially designed massage candle. Natural essential oils are released by heating the candle, providing beneficial effects on the skin. After the treatment, the skin is silky, nourished, and soft. The aromatic properties of essential oils can have additional benefits, such as reducing stress or improving mood.

MASAŽE / MESSAGES

DUBINSKA MASAŽA / DEEP TISSUE MASSAGE

30min / 45 EUR

60min / 65 EUR

Dubinska masaža tkiva pomaže u sprječavanju ozljeda kod profesionalnih i rekreativnih sportaša. Može se koristiti kao oblik zagrijavanja prije fizičkog napora te nakon intenzivnih tjelesnih aktivnosti. Pomaže kod upalnih stanja mišića, poboljšava tonus mišića i potiče duboku cirkulaciju u mišićima.

Deep tissue massage helps prevent injuries in both professional and recreational athletes. It can be used as a form of warm-up before physical

activity and after intense physical effort. It helps with inflammatory muscle conditions, improves muscle tone, and promotes deep muscle circulation.

AROMA RELAX MASAŽA / AROMA RELAX MASSAGE

30min / 40 EUR

60min / 58 EUR

Klasična masaža mirisnom mješavinom eteričnih ulja koji se odabiru prema individualnim željama i potrebama. Njeguje kožu, čini ju mekšom i sjajnijom, potiče cirkulaciju, ublažava stres, uklanja umor, bol i ukočenost u mišićima, stimulira otpuštanje serotonina (hormona sreće) te pospješuje raspoloženje i opće stanje organizma.

Classic massage with a fragrant blend of essential oils selected according to individual preferences and needs. It nurtures the skin, making it softer and more radiant, promotes circulation, relieves stress, eliminates fatigue, pain, and muscle stiffness, stimulates the release of serotonin (the happiness hormone), and enhances mood and overall well-being.

PROFESIONALNI TRETMANI LICA BY BERNARD CASSIERE / BERNARD CASSIERE PROFESSIONAL FACIAL TREATMENTS

KOMBINIRANI TRETMAN PO TIPU KOŽE / COMBINED CABIN TREATMENT

30min / 45 EUR

U skladu s tipom kože, tretman koristi tehnike hidratacije kako bi se koža dubinski nahranila te ujedno matira one dijelove koji su pretjerano sjajni, čime se kontrolira proizvodnja viška sebuma. Koristeći aktivne prirodne sastojke kao što su limun, čileanska divlja metvica i Java čaj ciljano djeluje na nepravilnosti. Ovaj tretman je posebno koristan za osobe koje imaju kombiniranu do masnu kožu.

Based on the skin type, the treatment uses hydration techniques to deeply nourish the skin while simultaneously mattifying excessively shiny areas, thus controlling the production of excess sebum. Using active natural ingredients such as lemon, Chilean wild mint, and Java tea, it targets irregularities. This treatment is particularly beneficial for individuals with combination to oily skin.
